Drawings

1. New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application because drawings 1, 15-23 and 25-37 have lines that are unevenly dark and make some of the information difficult to read.. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: the closest prior art reference of record is still the patent to Leung. However, Leung fails to disclose, teach or suggest all of the features recited in claims 1 and 18 of analyzing the source code under test to generate a map of the source code under test or a tree structure for the source code under test, and to generate a scan file of all or a portion of the map or tree structure of the source code under test."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to John Chavis whose telephone number is (571) 272-3720. The examiner can normally be reached on M-F, 9:00am-5:30pm, EST.
